STINGERS FACE MCGILL IN SHAUGHNESSY CUP

Football Update: The Stingers dropped a 15-9 decision to the defending O-QIFC champion Bishop's Gaiters in the third annual Shrine Bowl. Concordia was held to 175 yards of net offense, its lowest total in two years. Shrine Bowl M.V.P. for the Stingers was first year defensive back Stephane Leclerc (Trois-Rivières, Qué.). Leclerc, a two-time CEGEP all-star, intercepted two passes.

This Week: The Stingers travel across town to meet McGill in the 21st Annual **Shaughnessy Cup** at Molson Stadium on Saturday, September 16th at 1:00 p.m. The Redmen are coming off an easy 29-7 win over the lowly Carleton Ravens last week. Second string quarterback Andy St. Louis threw two touchdown passes and kicker Chuck Petitpas contributed 10 points from two field goals, two converts, and a pair of singles.

The Series: McGill leads the series 18-8 having won five of the last six contests. Concordia's last win was the 1986 Shaughnessy Cup. The Stingers defeated the Redmen 23-21 in that contest.

Stinger Defense: Despite the loss, Concordia received an impressive defensive display from a trio of players. Linebacker **Martin Ferdais** and defensive back **Stephane Leclerc** intercepted two passes each, one shy of the O-QIFC record of three held by a number of players and last accomplished by Concordia's John Picciolo October 11th, 1986. Cornerback **Ian Ployart** chipped in with an interception and a blocked field goal. Ferdais and Leclerc are on a pace to break the league record for interceptions in a season (6) set by Concordia's J.F. Godin in 1983.

Defensive Leaders vs Bishop's: Senior defensive back and captain **Stephane Chapados** (Montreal, Que.) led the defense with nine total tackles, including two for losses. First year defensive tackle **Eric Burrows** (Montreal, Que.) also had nine tackles including one Q.B. sack. Burrows, a former all-star in the Quebec Junior Football League, is the Stingers' biggest player
